MESSIAH LUTHERAN
SHARING HIS LIGHT

THE LITTLE RED TRUCK

Little Jimmy had a red truck that was getting old. It squeaked when he pushed it. The hinge on the door on one side was broken. One wheel had fallen off. And the truck just didn't look new anymore. Jimmy said, "Maybe I should just throw this old truck away. It is no good anymore." But Jimmy liked this old truck. It was his favorite toy. So, Jimmy thought, "I have an idea. I will ask mom to help me fix up my truck." So he went to his mother and asked, "Mom, can you paint my truck to make it shiny and new?" Mom said, "Sure." So she went to the garage and got some red paint and painted the truck. Now all the rust parts were shiny red. So Jimmy started playing again with his truck.But it still wasn't a new truck.It squeaked and wobbled because of the missing wheel, and it still had a door with a broken hinge. So Jimmy asked his mother to help again. And together, they found the missing wheel in the toy box and put it back on. Then they got some wire to fix the hinge on the broken door. Then they got some oil to put on the places where the truck squeaked.Jimmy said, "Now my truck is new on the outside and on the inside. We just made it new again."

In a similar way, this is what God has done for us. The Bible says in 2 Corinthians 5:17, "If anyone is in Christ, he is a new creation.The old has passed away, behold, the new has come." We are not perfect people. There are times when we mess up and do things we are not proud of. We become broken people. We need to be fixed up.

So God comes and fixes us up. How does God do this? He does it through His Son, Jesus Christ. Jesus died on a cross so that all of our sins could be forgiven. Then Jesus rose from the dead so that we don't have to be afraid of dying. Now, when we do die, we know that we are going to live with Jesus in heaven. And so we can feel like new people. We are new on the outside and new on the inside.This is what God means when He says that when we have faith and trust in Jesus, we are like new people. The old has passed away and the new has come.

Use your life to live as the new person God made you to be. Let others around you see Jesus through you.

THOUGHT FOR THE MONTH

Our offerings to our Lord show:

1) Our faith in Jesus as our Savior.
2) Our closeness with our family of believers here at Messiah.
3) Our love for others around us.
4) Our intention to share the love of Jesus with others.

Χάρις ὑμῖν καὶ εἰρήνη — Grace to You and Peace

Dear Brothers and Sisters in Christ,

Χάρις ὑμῖν καὶ εἰρήνη — "Grace to you and peace." That is how the Apostle Paul opened almost every one of his letters, and fittingly, it was one of the first phrases I learned in my Greek class this fall.

Yes — I am going back to school. I have begun studying Biblical Greek online through Concordia Seminary in St. Louis, the first step on a longer journey toward earning my General Pastor Certificate, the GPC. As many of you know, I serve as what our Synod calls a **Specific Ministry Pastor (SMP)**, which means I am ordained to serve in a particular ministry context — right here at Messiah. The GPC broadens that call: it is the certification that makes a pastor eligible to receive a call to any kind of pastoral service in the LCMS.

It will take a few years of coursework and examinations to get there — studying for the Greek competency exam is keeping my evenings busy as we speak. Balancing it all alongside my family and service here is no small task, and I want you to know how deeply I appreciate your prayers and support. Your encouragement carries me more than you know.

But I also want you to know why I am doing this: **I am doing it so that I can serve you better**. I love being your pastor, and I want to keep growing in the tools that help me to serve this congregation faithfully for the long haul — preaching and teaching that digs into God's Word as deeply as possible, right down to the original language in which the New Testament was written.

So, thank you — for your patience, your prayers, and your support. It means the world to me.

Χάρις ὑμῖν καὶ εἰρήνη,
Pastor Lee

A Word from Pastor Detrie

To my fellow saints,

So much to be thankful for this month as we celebrate both spiritual and secular blessings. On the spiritual front we give thanks for the Church Triumphant as we celebrate All Saints Day. We remember with fondness our family, friends and church family members who have completed their labor and rest in the hands of our Lord Jesus. Here at the church, we will call our church family members name out while ringing a bell for them, honoring their life here with Christ. It truly is a special day that reminds us that Christ conquered sin death and hell, turning death into a door that our Lord carries us through as He takes us to be with Him. We remind ourselves that because He lives, we live! We live without end, we live without the effects of sin, we live without fear and we live walking and talking with God and His people. As we celebrate this day some will do it with tears of loss but also with the tears of joy. This day truly belongs to our Lord and His people, us, the church.

On the secular side we also will celebrate where our Lord has placed us in His creation. We are truly blessed to live in our time and in this country. We celebrate with those around us with our own traditions and customs as we give thanks for our country. We will eat turkey with all the fixings, watch sports and maybe a parade and be grateful for all that we have.

It truly is a great month that we have come to and as you celebrate all aspects of it, our faith and life with Christ and the country we live in, rejoice and give all glory to God.

Notes From Messiah Music

Every day, choices are made regarding how we will honor God and share His light in our world, as well as serve Him in our church. With all the things that compete for our attention, I would like to focus on the importance of musicians and production in worship. Our congregation is blessed to have volunteers who dedicate their musical talents to serve in worship. Weekly, our Praise and Worship team-vocalists and band- prepares to lead our Contemporary service, with hours of practice, solely for the purpose of using their God-given talents to their very best to glorify Him, not for personal praise or recognition. Alongside, tech volunteers work in the sound booths, operating lights, sound, media and live streams to enhance the services, while reaching out to our church family and beyond with our worship services. Our choirs-Kingdom Kids, Messiah Chorale, Messiah Orchestra, Joyful Ringers, soloists and organists, uplift our worship with their praises to God. We are in need of more volunteers, and I encourage you to consider adding your talents to these. You will be a blessing to many through your service to the Lord!

*Saints in Glory-

November is here, and we have SO much to be thankful for! As Thanksgiving approaches, we help our kiddos celebrate the people and things they love with thankful trees, chains, and songs! But Thanksgiving is about more than counting our blessings—it's also about how we share them.

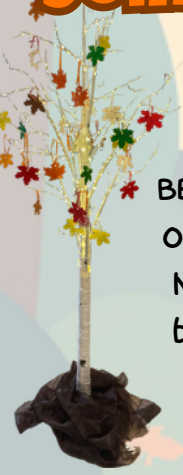

Because God has given us so much, we have so much love to give! Here in KidMin, we want our children to see that generosity is more than sharing toys or donating items. It's using the blessings God has given us to love and serve others, even the smallest acts of kindness can reflect Jesus' love. This November, let's grow in faith together and discover how God's love inspires us to share that same love with the world around us!

IGNITE
MESSIAH YOUTH MINISTRY

During November, IGNITE Youth Ministry will focus on the theme Built on the Word. Feelings, trends, and opinions may change, but God's Word remains true and trustworthy. Guided by Matthew 7:24–27 and Psalm 119:105, students will learn that hearing and following Jesus is like building a house on a firm foundation—one that remains strong when life becomes difficult. Throughout the month, we will encourage our youth to evaluate the messages they receive from social media, school, friends, and culture through the truth of Scripture. As we remain Rooted in Christ, God's Word guides our steps, shapes our choices, and gives us a foundation that will not be shaken.

Messiah Serves: Social Ministries and Outreach

Touching Lives Through Christ

Dawn Johnson – 972-948-8966 – dawnmj@fastmail.net

The mission of our Outreach Ministries is to be Jesus' hands to our church, city, national, and international community. We do this through weekly opportunities for hands-on service such as those listed below and also through contributions to community charities such as Network of Community Ministries and the Assistance Center of Collin Country, wonderful organizations who are equipped to deal with the long-term needs of struggling individuals.

Our Fall Service Projects Are Here...
Thanksgiving/Fall Harvest Boxes and Caring for Our Neighbors!

Meals on Wheels Clients of Plano Community Homes

Collin County Committee on Aging Meals on Wheels has recently made some structural changes to their Harvest Boxes, rolling out an initiative that places greater emphasis on supporting seniors in rural communities facing challenges related to food dessert areas and limited transportation. The new initiative has a wider reach – Seniors are a precious group that we should hold dear and do our best to ensure they are not forgotten. We won't be able to meet their deadline with the changes they have made to the delivery recipients and revised schedule.

I'm reviewing changes made to the Secret Santa program with the hopes of being able to deliver gifts to the residents of Plano Community Homes as we have done for the past 16 years. I will have more details in future worship bulletins regarding the MOW Secret Santa program.

In addition to our Harvest boxes for the Meals on Wheels clients living in the Plano Community Homes, we also have an opportunity to help local families in need. Once again, we will support Good Samaritans of Garland, Inc. Donations can be dropped off at the Social Ministries & Outreach cabinets next to the family room in the chapel building. This too is also a great service project to encourage young children to be involved and help shop for the grocery items!

Items for the Good Sam Thanksgiving Bags

- instant mashed potatoes
- stuffing mix
- canned green beans
- $25 grocery gift card (cards can be placed in the bags or in the Good Sam Collection container)

ONGOING COLLECTION PROJECTS

Messiah's Men's Ministry - November 28th

Celebrating Thanksgiving

A Heart of Gratitude

Thanksgiving invites us to pause and recognize God's hand in our lives. Scripture reminds us that gratitude is not just a seasonal practice but a way of living that shapes our faith. Many devotionals emphasize that thanksgiving is a moment to acknowledge God's blessings—His provision, His faithfulness, and His love that endures through every circumstance. Even when life feels uncertain, Christians are encouraged to remember that God is in control and working for our eternal good.

Gratitude shifts our focus from what we lack to what God has already provided. It helps us see His goodness in daily provisions, relationships, answered prayers, and even in the quiet mercies we often overlook. Thanksgiving devotionals often highlight that counting our blessings helps us move from scarcity to abundance, reminding us that God's love never fades.

"Oh give thanks to the Lord, for He is good; for His steadfast love endures forever."
— 1 Chronicles 16:34

As Messiah's Men's Ministry, we continue our focus on being in God's Word daily as well as emphasizing daily prayer time where we can spend time 1 X 1 with our Lord.

Tim Napier and Chris DuBois will be leading us in study topics on "being a Godly man in today's times and discussing defending our faith on all occasions." We will continue our sharing during each discussion.

We continue to meet in the large classroom on the 1st floor at the church, 8:00AM-9:30AM and we welcome all men to come and join us. We look forward to growing our relationship with our Lord and where God will lead us all in 2026.
